

**SUPPLEMENTAL DECLARATION FOR UTILITY OR DESIGN PATENT
APPLICATION (37 CFR §1.63) AND POWER OF ATTORNEY**

As a below-named inventor, I hereby declare that:

My correct residence, post office address and citizenship are stated below next to my name.

We believe we are the original and first inventors of the subject matter which is claimed and
for which a patent is sought on the invention entitled:

“DELAY LOCKED LOOP FOR AN FPGA ARCHITECTURE”

The specification of this subject matter:

is attached hereto.

- X was filed on November 25, 2003
- X was assigned serial No. 10/722,636
- X which was amended on October 15, 2004.

I hereby state that I have reviewed and understand the contents of the above-identified patent application, including the claims, as amended by any amendment(s) referred to above. I do not know and do not believe that the claimed invention was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof or more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, and that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months (for a utility patent application) or six months (for a design patent application) prior to this application.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with 37 C.F.R. §1.56(a).

I hereby claim foreign priority benefits under 35 U.S.C. §119 (a)-(d) of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.
